Choosing profitable investments Getting unbiased professional advice Avoiding Insurance, Brokerage, and other scams Protect Your Wealth and Well-Being Now and for Years to Come In light of the new risks our country and our economy are facing, entering your fifties with an effective financial and personal plan for your future is now more crucial than ever-to make sure you can truly enjoy your golden years. The Ultimate Safe Money Guide was especially designed to help you map out your plan in this new environment, so that you can stop worrying about your money and just enjoy life. Step by step, Martin Weiss-an expert in financial ratings and consumer protection-introduces, explains, and helps solve many of the new challenges and risks that face millions of Americans over fifty, including how to find: Truly profitable investments with the least risk Protection against investment losses The worst and best insurance policies and annuities The best health insurance solution for you The right plan for your long-term health care The Ultimate Safe Money Guide is an important source of information for anyone planning for a secure future during their fifties and beyond. Expert advice and proven guidance will prepare you for this critical juncture in your life at a critical time in our history, putting you on the road to a satisfying retirement, where you are always firmly in control.
