'A haunting and provocative debut.' - Christina Baker Kline, #1 New York Times bestselling author of ORPHAN TRAIN The house brought them together, but secrets will tear them apart. When Betty Gardiner dies, leaving behind an unkempt country home, her grandson and his young wife take a break from city life to prepare the house for sale. Nowell Gardiner leaves first to begin work on his second mystery novel. By the time his wife Vivian joins him, a real mystery has begun: a local girl has been found dead in the woods behind the house. Even after the death is ruled an accident, Vivian can't forget the girl, can't ignore the strange behaviour of her neighbours, or her husband. As Vivian attempts to put the house in order, all around her things begin to fall apart. The Qualities of Wood is a novel about secrets.

Family secrets. Community secrets.

And secrets between lovers, past and present. And all of these secrets have their price.

Wood (Heftet). Arkitektur. Pris kr. Those who recognize and exploit the natural qualities of wood have a wonderfully versatile material which can be brought to. Bergen International Wood Festival (BIWF) focuses on the use of wood as a material, and on its constructive, structural and tactile qualities. Learning in the
