This is a magical collaboration between War Horse author Michael Morpurgo and Horrid Henry illustrator Tony Ross. Michael loves his grandfather's stories about the Sandman and the turtles, but he doesn't believe that they are real. But that's about to change, because the Sandman is very real indeed...

and Michael and his cousins Barry and Polly are going to need his help. The Sandman and the Turtles is a charming adventure from former Children's Laureate Michael Morpurgo, the master storyteller behind *An Eagle in the Snow*, *Listen to the Moon*, *Private Peaceful*, and *An Elephant in the Garden*. Michael has written more than one hundred books for children and won the Whitbread Award, the Smarties Award, the Circle of Gold Award, the Children's Book Award and has been short-listed for the Carnegie Medal four times. Tony Ross is one of Britain's best known illustrators. He has worked on the bestselling 'Little Princess' and 'Horrid Henry' stories, David Walliams' *Gangsta Granny* and many, many more. He lives in Wales.
