'The perfect antidote to the winter blues...a sweet, funny and compelling tale that makes you wonder exactly what your life would be like if you just had the nerve to try and change it' - Debbie Johnson, bestselling author of Christmas at the Comfort Food Cafe Two women, two very different lives - one perfect solution to escape festive heartbreak! Tucked away in the idyllic English countryside, Daisy Fischer's cosy little cottage has always been her safe haven.

But when her completely dependable boyfriend issues her an ultimatum, Daisy realises there's a whole world out there she's missing out on. Florence Cortes's life couldn't be better - gorgeous apartment right on the beach, fabulous job and dreamy boyfriend, or so she thought. Suddenly, Flo's life isn't so perfect after all.

When the girls house swap for the holidays, it's not long before Daisy is being distracted by sun, sea and sexy Javier while Flo finds herself snowbound for Christmas with only handsome neighbour Hugo and a house full of animals to keep her company. Love actually does seem to be all around this Christmas, but in the places Flo and Daisy least expect to find it...What readers are saying about The Holiday Swap.
