Collins International Primary English is a six-level, multi-component course for the international market which has been carefully developed to meet the needs of teachers and students. Collins is working with Cambridge International Examinations towards endorsement of these titles. Collins International Primary English is a self-contained, cohesive course which develops reading, writing, speaking and listening skills at primary level. The course follows a clear structure and progression through the levels, with carefully selected texts covering both fiction and non-fiction genres, including extracts from the highly successful Collins Big Cat series. The Workbooks support the Student's Books by providing additional material for practice and reinforcement. Exercises and activities are linked to each unit of the corresponding Student's Book, offering further practice in the key skills.
